PROFILE

I am a creative director with experience in communication design, web development, and event management. Most of my career has been dedicated at using my skills to assist in building and scaling up startups.

Founder: POETORIA CORPORATE ART SOCIETY

A creative arts movement dedicated to platforming and documenting Pretoria's spoken-word scene between 2013 and 2017, Poetoria spotlighted emerging voices like Masai Sepuru, Anga Mamfanya, and Tebatso Mashishi, while also showcasing acclaimed poets such as Xabiso Vili, Modise Sekgothe, and legendary figures like Lefifi Tladi.

2013 – 2017

Art Curator – MB STUDIOS 2015 –2017

Between 2016 and 2017, I worked as a junior art curator at MB Studios under Sarah McGee. The gallery hosted monthly exhibitions, including a March showcase by resident artist Michael Tshepo Selekane. His Migration series echoed both his story and the gallery's shift, marking the capital as their new home.

2016 – 2017

Co-founder & CEO – VENDA CREATIVE CARTEL

I co-founded an event management company behind Acoustics & Poetry, the biggest alternative event in the peri-urban town of Thohoyandou. More than just a stage, it has been a pivotal platform for the growth of local artists—showcasing acts like H' & Them, Muneyi, Lutroo, and Thabiso Thabathe. The event has also featured celebrated talents, from Grammy Award winner Una Rams to local legends like David Mmbii, making it a cornerstone of the town's cultural and artistic evolution.

Founder: SPACINI VISCOM

I founded a brand development and communications agency in 2019, which was acquired by Cranberry Capital in 2022. Since then, we've led business development and communications for organisations across various sectors—including energy, investments, and hospitality. In 2025, the company rebranded to Grounded Advertising and expanded its services to include experiential marketing and brand activations.
